Invitation

China Association for Science and Technology (CAST) is pleased to announce that it will host the **World Adolescent Robot Contest 2018 (WARC 2018)** in Guiyang City, Guizhou Province at Guizhou University, July 20-25, 2018.

Over 100 teams will be invited to the WARC 2018 this year. On behalf of the host committee, we are pleased to invite 58 teams all over the world to attend the WARC 2018 in WRO Regular Elementary, WRO Regular Junior and WRO open category under the theme and rules of WRO 2018 season. Each team is composed of up to 3 students and 1 adult coach. Each country may register only **ONE** team for each age group of each category. The accommodations, meals and local transportation of the team (1 adult coach and 3 students at the most) during the contest will be covered by the host committee.

Details of event are still being confirmed, and information will be released in March with updates over the coming months. If you're interested in attending WARC 2018, please fill out the feedback form and send it to huangmeijun@semia.com before March 31, 2018. Online registration will be open later.

We hope your team will be able to attend and look forward to meeting you in Guiyang in July. If you have any questions, please feel free to contact Ms. Runa Huang at huangmeijun@semia.com or Ms. Kewen Li at likewen@cast.org.cn.

With best regards,

LIU Yang
