

Jonathan Hung - Director

Education:

Graduated Magna Cum Laude from Embry-Riddle Aeronautical University, double majoring in Aerospace Science and Aviation Business Administration

Career highlights:

Jonathan is the Executive Chairman of Singapore Space and Technology Limited (SSTL), Asia Pacific's leading organisation focused on developing the space technology industry.

His international work experience includes management roles with the Rheinmetall-Contraves Group, CAE Inc., ST Engineering and Flex, where he's credited for establishing and leading their successful Advanced Incubation Centre. He also serves on the advisory boards of various companies, including innovative young start-ups.

Early in his career, Jonathan was in government service as Centre Director for Middle East & North Africa Operations at the Singapore Economic Development Board (EDB).

WRO history:

Jonathan was appointed to the WRO Board in 2021. He finds a strong alignment in WRO's education mission with his personal interest in global STEM outreach.

Current position:

Executive Chairman, Singapore Space and Technology Limited
