

Jonathan Hung - Director

Mr. Hung is the Deputy Chief Executive and Chief Industry and Partnerships Officer at the National Space Agency of Singapore, or NSAS. He was formerly Executive Director at the Office for Space Technology & Industry (OSTIn), Singapore's National Space Office.

NSAS's mission is to champion Singapore's national space ambitions and be a credible contributor to the global space ecosystem.

His international work experience includes senior management roles with CAE Inc., Rheinmetall, ST Engineering and Flex, where he's credited with establishing and leading their successful Advanced Innovation Centre.

Earlier in his career, Mr. Hung was in government service as Centre Director for Middle East & North Africa Operations at the Singapore Economic Development Board (EDB). Whilst at HQ EDB, he handled portfolios in aerospace, marine/offshore and super yacht sectors. He was formerly the Founder and Executive Chairman of Singapore's Space trade association.

Mr. Hung represented Singapore as Head of Delegation at multilateral fora such as the United Nations Committee of Peaceful Uses of Outer Space. He serves on the Board of the World Robot Olympiad Association, chairs the Asia Pacific Sub-Committee at the International Astronautical Federation, and is an Honorary Board Member at the Space Generation Advisory Council.

Prior to his NSAS and OSTIn appointments, Mr. Hung had served board tenures with various successful scale-ups and provided expert advisory services to emerging space economies.
